MASDAR AL HAYAT FOR FOOD INDUSTRIES

A Member of Al Tamimi Group

CORPORATE PROFILE & STRATEGIC CAPABILITIES

2026

1. EXECUTIVE OVERVIEW

Heritage & Foundation

Masdar Al Hayat for Food Industries is a cornerstone of the Saudi Arabian food manufacturing sector. Established in 2009, the company is a strategic subsidiary of the **Al Tamimi Group**, one of the Kingdom's most diversified and respected conglomerates since 1942.

Leveraging the group's deep-rooted expertise in retail (Tamimi Markets) and distribution, Masdar Al Hayat was founded to bridge the gap between global industrial standards and local culinary preferences. Operating from a state-of-the-art facility in Riyadh's Second Industrial City, we are committed to the Saudi Vision 2030 by driving local manufacturing excellence.

Mission & Vision

- **Our Vision:** To be the premier "Source of Quality" for innovative food products across the GCC, setting the benchmark for safety, taste, and reliability.
 - **Our Mission:** To enrich modern lifestyles through a diverse portfolio of nutritious, high-quality food solutions powered by advanced technology and a consumer-first approach.

2. BRAND ARCHITECTURE

Masdar Al Hayat manages a multi-tiered brand portfolio designed to capture various market segments, from modern health-conscious households to traditional culinary sectors.

FONTE: The Flagship

Fonte is our core brand, representing modern nutrition and culinary creativity. It is positioned as the "Fresh Start" for every meal, focusing on high-quality bakery, snacks, and staples.

TAMDOOR: The Spirit of Tradition

Tamdoor is dedicated to the heritage of Middle Eastern baking. It focuses on authentic flatbreads and traditional grains, providing the nostalgic taste of home with modern safety standards.

DEMERICO: Professional Excellence

Demerico is our specialized brand for the gourmet and HORECA (Hotel, Restaurant, Cafe) sectors, offering high-spec ingredients and specialty food solutions that require professional-grade precision.

3. THE HERO CATEGORY: FONTE TORTILLA

As the market leader in the wrap category, the **Fonte Tortilla** is a masterpiece of food engineering. Designed for the modern, fast-paced lifestyle, our tortillas are celebrated for their signature "Pillow Softness" and "Zero-Tear" durability.

Technical Advantages:

- **Flexibility:** Advanced moisture-lock technology prevents cracking even when folded tightly.
 - **Variety:** Available in Premium White, Whole Wheat (Brown), Potato, Oat, and Corn.
 - **Scalability:** Produced on high-capacity European lines to ensure 100% consistency across millions of units.
 - **Sizes:** 6.5", 8", 10.5", and 12" (Professional/HORECA size).
-

4. COMPREHENSIVE PRODUCT PORTFOLIO

A. Bakery & Grains

- **Sliced Breads:** Premium White, High-Fiber Bran, and Brioche.
- **Specialty Buns:** Potato Buns, Sesame Burger Buns, and Slider Rolls—the preferred choice for leading regional burger chains.
- **Indulgent Pastries:** A range of Swiss rolls, sponge cakes (Vanilla/Chocolate), and buttery croissants.

B. Culinary Essentials

- **Tomato Paste:** High-concentration, rich-color paste packaged in eco-friendly Tetra Paks for flavor preservation.
- **Bread Crumbs:** Precision-milled crumbs available in various textures for professional frying and coating.

5. INDUSTRIAL EXCELLENCE & LOGISTICS

State-of-the-Art Manufacturing

Our Riyadh facility is equipped with fully automated production lines that minimize human contact, ensuring the highest level of hygiene. We utilize vacuum-sealed packaging and modified atmosphere packaging (MAP) to extend shelf life naturally without compromising nutrition.

Quality Assurance

We operate under a "Total Quality Management" philosophy, holding the following certifications:

- **ISO 22000:** Food Safety Management Systems.
- **HACCP:** Critical control point monitoring.
- **SFDA & Halal:** Full compliance with Saudi Food & Drug Authority and Islamic standards.

Strategic Distribution

Our partnership with Al Tamimi Group's logistics network allows us to maintain a sophisticated cold-chain and ambient delivery system. We ensure that our products reach over 5,000 retail points and hundreds of HORECA partners daily across the Kingdom and the wider GCC region.

6. CONTACT & PARTNERSHIPS

Masdar Al Hayat is open to strategic partnerships, private label manufacturing, and global export opportunities.
